C. F. No. 46] GOVERNMENT OF MYSORE

No. E.P.M/172/43-44 OFFICE OF The President,
Encls: Nil (Encl 1) Hindustan Aircraft Sanitary Board,
Bangalore, Date 3rd June 1944.

GEN. & REV. SECRETARIAT 5 JUN 1944 BRANCH.

To

C. Narayana Swamy Naidu, Esq., B.A., B.L.,
Secretary to the Government of Mysore,
Law Department, BANGALORE

SECY. LAW E 1244 GOVT OF MYSORE

Sir,

Adverting to G.O.No.L.7346/V.P. 63-43-2 dated the 19th January 1944, constituting the Hindustan Aircraft Sanitary Board and Notification No.L.10522/V.P. 63-43-6 dated the 10th April 1944, appointing me President of the Sanitary Board, I have the honour to state that the first meeting of the Sanitary Board was held under the Presidency of the Deputy Commissioner, Bangalore District, on the 10th April 1944, at which the scale of establishment as in the enclosed statement was approved. The cost, as will be seen, will amount to Rs.11,745-10-8 per annum on the establishment of the Central Office and Rs.31,422-10-8 on the Sanitary Establishment with a recurring charge of Rs.10,500/- for chemicals and works and non-recurring Rs.13,700/- for equipment.

It was resolved that the question might be taken up first with the Hindustan Aircraft as to how much of this cost they would be willing to bear. The present revenue from the Village Panchayets included in the area is Rs.2,204-12-0 and after the revision of the bye-laws for the imposition of new taxes and for the enhancement of the existing taxes, the revenue from the villages may, perhaps, be doubled. This will still leave a balance of

(p.t.o.)

of about Rs60,000 on account of recurring expenditure alone to be made up by other sources. The Board of Directors of the Hindustan Aircraft have resolved to contribute half of this deficit, not exceeding Rs.30,000/- for the year 1944-45, and have also resolved to advance a sum of Rs.15,000/- immediately to start the work, and have recommended that the other half may be borne by the Government of Mysore.

I request that the Government may be moved to kindly provide a sum of Rs.30,000/- as grant for the year 1944-45 and to sanction the establishment recommended by the Sanitary Board and approved by the Hindustan Aircraft Ltd.

Necessary action will be taken in consultation with the appropriate authorities to get the necessary staff and begin the work immediately.

The draft bye-laws will be placed before the next meeting of the Sanitary Board and submitted to Government for approval.

I have the honour to be,
Sir,
Your most obedient Servant,

President
Hindustan Aircraft Sanitary Bd.

PROCEEDINGS OF THE GOVERNMENT OF HIS HIGHNESS
